

The Wellness Project, Inc 2025 Impact Report

A MESSAGE FROM OUR BOARD

In 2025, staying true to our mission to Expand, Equip, and Restore, we remained dedicated to enhancing access to healthcare. We focused on empowering the next generation, implementing holistic wellness strategies, and offering economic empowerment opportunities to vulnerable communities around the world.

INDIA UPDATES

- This year over 120 people were served during our August 2025 Preventative Diagnostic & Eye Medical Camp
- To strengthen the medical camp workflow, The Wellness Project, Inc. donated funds toward hand held technologies to assist with digital patient intake and reporting.
- We installed of AC units in the main clinic hall, transforming a sweltering care environment into a comfortable, safe, and dignified atmosphere for both patients and staff.

KENYA UPDATES

- We provided monthly physician visits to Hopeland Orphanage, delivering routine check-ups, medication assistance, and nutritional counseling to the children.
- Hopeland continues to enjoy solar power from our previous solar panel project, which supplies dependable power, enhanced lighting for studying and daily activities, and improved safety.
- During periods of severe drought, we supplied over 45,000 L of water through water tank refills for Hopeland, ensuring access to drinking and cooking water, as well as overflow for the gardens and greenhouses.

NEW PARTNERS

- This Fall we onboarded and kicked off projects with two ***new*** Kenyan partners that work with impoverished women, street children, and other vulnerable groups.
  - **Hands of Concern Organization** (Thika, Kenya)-
    - A chicken coop project for impoverished women
    - A small maize farming project for street children
  - **Arise Hope Organization** (Nakuru, Kenya)
    - A food cart and entrepreneurship mentorship pilot project for 10 impoverished women providing carts, startup capital, and entrepreneurship mentorship

LOOKING AHEAD

As we look ahead, we are working toward a **$50,000 fundraising goal** to expand our impact and reach more vulnerable populations; These funds will deepen our work in:

- Psychosocial support
- Essential health and nutritional training
- Women's empowerment and economic stability for vulnerable groups
- Programs for orphans, street-children, and elderly population
- Expanded wellness initiatives
